Declaration of Conformity
for Utz Articles made of HDPE (Polyethylene)
that come into contact with food.

Dear Sir or Madam,

We hereby declare that our products (see enclosed sheet), made from

virgin polypropylene and Polycarbonate with coloring using our standard color concentrates,

complies with the legal provisions of Regulation (EU) 10/2011 and Regulation (EU) No. 1935/2004 in their current versions.

The overall migration and specific migrations are below the legal limit under specified conditions of use, in accordance with Regulation (EU) 10/2011.

The materials and raw materials used comply with Regulation (EU) 10/2011.

If the products contain substances with restrictions (SML/QM), the limits specified in Regulation (EU) 10/2011 are adhered to.

No heavy metals are contained in accordance with Regulation EC 94/62/EC.

Specification for the intended use:

- For all types of food

For products in special colors or with other conditions of use, a separate examination of the overall migration is required.

No functional barrier made of plastic is used.

The traceability of the product according to Regulation (EC) No. 1935/2004 can be found in the technical data sheet

“Traceability of reusable containers in contact with food” by pro-K Industrieverband Halbzeuge und Konsumprodukte aus Kunststoff e. V.

The user must ensure the suitability of the product for the intended filling beyond the requirements of the guidelines.

Best regards from Schüttorf
